Dear Profeseor Millikan:

As you may remember, Professor Herbert Simon of Carnegie Tech is scheduled to speak at the Graduate Economic Seminar on Friday, March 2. I do hope you will be able to be in town for his talk.

I would appreciate your dropping me a note as soon as possible indicating any suggested topics that you think would be mutually agreeable to the graduate students and Professor Simon.

If you are unable to be here on the 2nd and can come on another Friday, we might try to advance or delay the date by a week.

Yours sincerely,

Alfred O. Ginkel
